

NEW SERVICE FROM September '25

for private and home educated candidates

01

Help with your university applications.

Get support from our UCAS-trained specialists. From initial registration right through to submission and even into Clearing.

02

Reference only options available.

Work with our team of tutors to ensure you have references available to submit with your application. Perfect for home educated and self learners.

03

An important next step after your exams.

Whatever your grades on Results Day, we are able to support you to understand the choices available to you.

04

Contact us to get on the road to continue your education.

If you're still doing GCSEs, or are in Year 12, Year 13, etc you can contact us to start your journey and give yourself a better chance of finding a more suitable pathway for you.

Enter CIC can help you continue your journey up to securing your university place. We can also support you in gaining a greater understanding of Apprenticeship Degrees, Apprenticeships and more.
